Ralipp IT is an Indian Software and Web Development Company which provides a wide range of IT services successfully. We offer world-class and affordable service which is categorized as below.

Website Designing

Internet is the most important vehicle for promoting and selling your products and services. But mere presence on the web is not sufficient, people should actually know about your existence, visit your site and appreciate you, before you can expect getting clients.

Web Hosting

We offer a comprehensive solution to your web design and development. We utilize our web skills to promote your business & build up your company's future. Our team of professionals helps you to achieve your goals towards success.

Software Development

Professional designs, shopping cart with un-limited product options, merchant account and much more at an unbelievable price! Yes, that's what you get at Ralipp IT Software. We offers a wide range of customized web development solutions at affordable rates for your needs.

Flash Animation

Animated Logos, Intros, Web Banners, Presentations and Animations, everywhere you'll find extensive use of Flash. This wonderful software allows unlimited creativity with graphic, sound and animation. Even complete websites are being developed using Flash designs. Well, if you are willing to redesign your website by using latest flash works, trust our web design services.

Internet Marketing

Internet Marketing is a method of making your web site search engine friendly. So that the website can achieve top position and ranking in the Internet searches and thereby increasing the scope of the website to be found by customers. Search engine optimization modifies the site to improve the ranking by using the keywords and contents.

Ralipp Media

Our team insists on raising the bar constantly to deliver cutting edge communication solution to our clients from Ideation, Pre-production, Production, Post-production to Media Release. In short, we produce all that it takes to get Radio Commercials, Newspaper Advertisements, Television Commercials, Audio-Visual Presentations, Corporate Videos and Training Videos up and running. Our Event Management team floors Product Launches, Press Meets and Exhibitions.

Advertising

An advertisement either clicks or sinks. For a good recall and connect, the back-end work needs to have it all covered. Ralipp Media gets down to the field for the customer's vibe, the market's trends and a thorough understanding of what's ruling the roost. When clients strike a deal here, there's no room for regrets. Ralipp Media brings you the cream of its creative juices, when it comes to creative design on the web, print, banners or ticketing options.

Public relations

Any company's backbone is its public relations and Ralipp Media goes all out to protect your brand's image, well-being and growth with its PR Wing. From making important announcements at press conferences, hosting exhibitions and expos, to crisis management or even a new initiative, our team is always on the move with you, to keep you up to speed with the bigger picture as well.

Events

Be it family functions, alumni occasions, inaugural events, press conferences or any other, we have the folk, the technology and the facilities to host an event of a large magnitude. Committed to service excellence, we ensure that your event and brand objectives are met through effective and efficient end-to-end execution, right from venue selection, invitations, AV services to the final execution.

Ralipp Healthcare Solutions

OUR SERVICES

Hospital Project Consultancy
Market Feasibility Studies
Patient Satisfaction Survey Program
NABH-NABL-JCI-ISO Accreditation Assistance
Medical Tourism

Hospital Project Consultancy

We assist new Hospitals to be set up in full compliance with accreditation assistance and the best clinical and non clinical practices in the sector.

Our team comprises of experienced healthcare quality professionals. hospital trained Project Managers, Architects, Planners, Equipment Specialists and HR Professionals.

Market Feasibility Studies

We conduct Market Surveys for establishing the feasibility of putting up Hospitals in any part of the country. For this we work exclusively with International standards.

Patient Satisfaction Survey Program

Our experience has shown that Patient Satisfaction Surveys provide the Hospital with a simple method to improve clinical performance and profitability by identifying the root causes of clinician and patient behaviour and allowing action targeted directly at those root causes. The improvement is thus focused, through a deeper understanding of the patient's experience in each aspect of care, ensuring critical opportunities for improvement.

NABH-NABL-JCI-ISO Accreditation Assistance

We provide NABH-NABL-JCI-ISO certification consulting, system awareness training and implementation services to various organizations of different nature and size. We always try to exceed the expectations of our valuable clients with our value added services in all areas of management consultancy.

Medical Tourism

Every patient across the globe has a right to seek the highest level of quality medical treatment at the most affordable cost, no matter whether they have to travel abroad for it. India has evolved to become one of such top-notch medical tourism destinations which boasts to provide affordable yet qualitative treatment, thus scoring high on several aspects, including patient satisfaction, quality hospitals and renowned doctors.

We are specialised in facilitating the process, taking care of arrangements such as access to clinics and specialists, travel, visas, accommodation and, in some cases, sight-seeing and leisure activities.

Ralipp credit solutions

The professional solution in the country for commercial and Consumer Debt Collection and Receivable Management services using most efficient, professional, cost effective and proven methods.
